GEORGIAN INDUSTRY TOPS YEAR PLAN BY 5 PERCENT

The Statistics Administration, Georgian SSR, reports that Georgian industry fulfilled the 1949 gross-production plan 105 percent, including 102 percent by Union industry and 106 percent by republic industry. In 1949, gross production increased 10 percent over 1948, including 12 percent by Union industry and 8 percent by republic industry. The ministries of the Georgian SSR fulfilled the 1949 gross-production plan as follows:

	<u>49 Plan in %</u>	<u>49 in % of 48</u>
Ministry of Food Industry	108	115
Ministry of Meat and Dairy Industry	101	107
Ministry of Light Industry	104	107
Ministry of Timber and Paper Industry	101	129
Ministry of Construction Materials Industry	103	128
Ministry of Local Industrv	106	108
Including:		
Republic Industry	102	111
Rayon industry	108	102
Ministry of Automobile Transport	111	114
Ministry of Social Security	117	98

The following ministries, although meeting the gross-production plan, failed to complete the plan for quantity of production of the items indicated: Ministry of Meat and Dairy Industry -- butter, cheese, sausage; Ministry of Light Industry -- chrome leather, hard leather goods; Ministry of Timber and Paper Industry -- lumber, plywood, matches; Ministry of Local Industry -- plows, construction materials, building nails, beds, aluminum ware, horseshoes, fabric, footwear.

Industrial Cooperatives fulfilled the gross-production plan 104 percent, including 101 percent by Administration of Industrial Cooperatives, Council of

Ministers Georgian SSR, and 110 percent by Georgian Union of Invalids' Cooperatives. The Administration of Industrial Cooperatives, however, failed to meet the 1949 plan for hauling commercial timber, production of lumber, construction materials, beds, fabric, outer knitwear, sausage, and confectionery products. The Georgian Union of Invalids' Cooperatives did not meet the 1949 plan for production of lime, beds, nails, fabric, hosiery, and outer knitwear.

The 1949 plan for production of chief industrial goods was fulfilled as follows:

	<u>49 Plan in %</u>	<u>49 in % of 48</u>
Manganese ore (commercial)	104	128
Coal	94	115
Petroleum	99	107
Electric power	101	111
Electric mine locomotives	96	385
Mine conveyers	97	104
Metal-cutting machines	107	146
Looms	123	146
Cement	111	161
Slate	113	117
Brick	91	116
Tile	69	113
Lime	95	100
Matches	97	132
Plywood	115	131
Lumber	95	97
Hauling commercial timber	94	123
Paper	107	112
Cotton fabric	98	137
Woolen fabric	106	111
Silk fabric	100	118
Raw silk	101	108
Hosiery	100	150
Knit underwear	119	125
Knit outerwear	63	75
Footwear	94	124
Soft leather	91	111
Beds	63	97
Upright pianos	101	106
Cheese	99	113
Vegetable oil	97	95
Margarine	92	102
Meat	102	95
Canned goods	110	114
Granulated sugar	100	119
Tea (primary processing)	108	136
Confectionery	110	115
Alcohol	118	114
Grape wine	91	111
Cigarettes	111	111
Soap	98	115

The following Union enterprises fulfilled the 1949 gross-production plan and also the plans for all categories of goods and for varieties in each category:

The 1949 centralized capital construction plan, which was augmented during 1949, was fulfilled 96 percent. The volume of capital construction completed in 1949 was 129 percent of that done in 1948, including 143 percent for the metallurgical industry, 124 percent for the coal industry, 103 percent for the petroleum industry, 150 percent for electric power plants, and 165 percent for the light and food industries. The volume of centralized capital construction in the republic and local economies of the Georgian SSR during 1949 was 216 percent of the 1948 volume, with the breakdown by ministries as follows:

	49 in % of 48
Ministry of Food Industry	275
Ministry of Meat and Dairy Industry	151
Ministry of Light Industry	90
Ministry of Timber and Paper Industry	112
Ministry of Construction Materials Industry	130
Ministry of Local Industry	100
Ministry of Agriculture	1,200
Ministry of Irrigation	230
Communal construction under jurisdiction of executive committees of city and local soviets	127
Housing construction under jurisdiction of executive committees of city and local soviets	76
Construction of administration buildings	129

The republic fulfilled 93 percent of the 1949 plan for retail trade turnover, including 94 percent by the retail trade network and 92 percent by the network of public eating enterprises. In comparison with 1948, sales of the following products in retail state and cooperative trade enterprises showed an increase: meat, fish products, butter and fats, milk and milk products, sugar, confectionery, fabrics, hosiery, shoes, and soap.

The volume of the following agricultural products sold in kolkhos markets increased over 1948: flour, meat and poultry, gourd-type vegetables, fruits, and wines. Prices on basic agricultural produce, particularly meat, potatoes, vegetables, butter, milk and milk products showed a considerable reduction over 1948.

The 1949 plan for establishing new tea plantations in the republic was fulfilled 104 percent, lemon groves 102 percent, orange groves 101 percent, tung groves 100 percent, vineyards 100 percent, and fruit orchards 137 percent. On the whole, 33 percent more of these perennial crops was planted this year than in 1948. The plan for planting eucalyptus was fulfilled 131 percent, and 29 percent more eucalyptus was planted this year than in 1948.

In 1949, harvests of grain, industrial, and special crops were completed in a shorter time than in 1948, and considerably more green tea leaf, grapes, tobacco, and cotton were harvested than last year.

Kolkhozes increased the area sown in feed crops by 21 percent over 1948, including seed grasses 16 percent. The state plan for sowing winter crops for the 1950 harvest was fulfilled 106 percent. The plan for plowing was fulfilled 107 percent, and 18 percent more plowing was done this year than in 1948. MTS completed 36 percent more tractor work this year and fulfilled the 1949 plan for tractor work 100 percent.
